

**Arkansas Department of Education
2014-15 Academic Facilities Wealth Index
27-Feb-15**

NOTES: A.C.A. § 6-20-2502 defines the calculation of the Academic Facilities Wealth Index. The Academic Facilities Wealth Index is computed annually. The Academic Facilities Wealth Index is used to determine a school district's share of financial participation in a local academic facilities project eligible for state financial participation as approved by the Commission for Arkansas Public School Academic Facilities and Transportation.

The district share of financial participation is the FY15 Adjusted Academic FWI (next to the last column). It is calculated by dividing the district value of one mill per ADM by the value of one mill per ADM for the district at the 95th percentile of students (with school districts ranked from the lowest to the highest value of one mill per ADM).
The value of one mill per ADM for the school district (Pulaski County Special) at the 95th percentile of students is \$159.58.

The state share of financial participation is calculated by subtracting the district share from one. The 2013 value of one mill multiplied by one thousand equals the 2013 total assessment. Pursuant to A.C.A. § 6-20-2502 as amended by Act 727 of 2007, every school district with FWI of 1.00 or greater will be funded at the same level as the first district with FWI below 1.0, except that this funding will not exceed the amount of funding provided for FWI of nine hundred ninety-five thousandths (.995). Hot Springs (FWI .98448), is the first district with FWI below 1.0. Districts with FWI of 1.0 or greater have an adjusted FWI of .995 since funding for FWI of .98448 exceeds funding for FWI of .995.

The greater of the FY14 three-quarter ADM or the three-year average of the three-quarter ADM of the prior three fiscal years, totals 463,873.90 (463,873.90 * 95%= 440,680.21)

Pursuant to A.C.A. § 6-20-2510, if a school district voluntarily consolidates or if a school district annexes another school district, the lowest FWI of the participating school districts shall be used in the first eligible academic facilities project of the resulting school district. For future projects a new FWI shall be computed.

Effective July 1, 2014, the former Norphlet School District voluntarily annexed to the Smackover School District and the former Stephens School District was involuntarily consolidated with Magnolia, Nevada, and Camden-Fairview School Districts. Separate FWI are provided for each of the participating school districts.

November 13, 2014 the SBE approved an order creating the Jacksonville-North Pulaski School District. The FWI for PCSSD includes Jacksonville-North Pulaski School District.

The FY15 Adjusted Facilities Wealth Index will be used for the FY16 and FY17 Partnership Program.
