

6-19-122. Safe transportation of school children on buses and other vehicles.

The Division of Public School Academic Facilities and Transportation or its successor shall undertake measures to provide for the safe, reliable, and efficient transportation of school children, including, but not limited to, the following:

(1) Develop and implement a comprehensive maintenance management program for all preventive and other repair or replacement maintenance activities performed, including operating and maintenance documentation, on all public school buses; and

(2) Ensure that the uniform comprehensive maintenance management program is adopted and followed by all school districts.
