

**Partnership Program July 1, 2007 - June 30, 2009 List of Qualified Not Funded Projects**

Partnership Projects considered Qualified Not Funded did not meet the criteria of safe, dry, healthy, adequacy, suitability or growth, nor rank in the upper one-half of state school campuses considered for total replacement. These projects will not be funded this biennium but are eligible to be re-submitted in the next school district master plan.

District LEA	District Name	School Name	Project Number	Project Description	Academic Facilities Wealth Index (06-07)	State Financial Participation
