**2. Rules**

Lori Freno requested two proposed rules be given final approval and forwarded to the Arkansas Legislative Council Administrative Rules and Regulations Subcommittee. The rules were (1) Commission for Arkansas Public School Academic Facilities and Transportation Rules Governing Bonded Debt Assistance and (2) Commission for Arkansas Public School Academic Facilities and Transportation Rules Governing Right of Access to Unused or Underutilized Public School Facilities and the Sale or Lease of Public School Facilities.

Larry Walther commented that the three Public Comment periods worked extremely well for the Rules Governing Right of Access to Unused or Underutilized Public School Facilities and the Sale or Lease of Public School Facilities (*Rule*). Ms. Freno stated that at the Commission's instructions, the Rule was revised to include that if a facility should have been on the list when it was published annually on March 1, the Division would update and post that year's report.

**The Commission approved all other rule changes and forwarded them to the Arkansas Legislative Council Administrative Rules and Regulations Subcommittee.**
