2015-2017 Academic Facilities Partnership Program Approved Projects - Sorted by Project Ranking
April 30, 2015**

This list contains the approved projects for the Academic Facilities Partnership Program for the 2015-2017 biennium.

The State Financial Participation indicated on this list constitutes the Total State Financial Participation as calculated using information contained in the application. The Final State Participation will be determined in accordance with the Rules Governing the Academic Facilities Partnership Program and will consist of the lesser of the State Financial Participation as determined and included in the Partnership Agreement or the actual construction cost. The Division reserves the right to adjust the final State Financial Participation in accordance with the Partnership Program rules.

A Partnership Program Project Agreement for each approved and funded project must be executed by the school district and the Division within 60 days of the Commission's funding. The project must be under construction, as evidenced by a signed construction contract, within 18 months from the Commission's funding and must be completed within four (4) years of the Commission's funding.

School districts wishing to appeal a determination on this project list must do so in accordance with the Rules Governing Appeals from Determinations of the Arkansas Division of Public School Academic Facilities and Transportation dated June 2012.
